

California Family Law Report

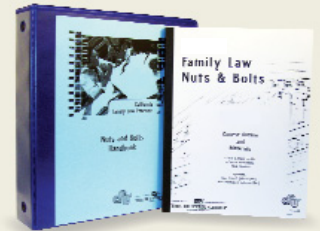

California Family Law Practice Handbook™ (2009 Nuts & Bolts)

Available through The Rutter Group!

California Family Law Practice Handbook™ (2009 Nuts & Bolts) is a guide to procedures and techniques for maintaining a viable family law practice, including:

- Interviewing and retaining clients
- Form letters and informal discovery requests
- Settlement
- Preparing and presenting OSCs and trials
- Judicial Council family law forms

This comprehensive desk reference guides you through all aspects of family law – from new client interviews to final judgments. All legal personnel handling family law will benefit from using this well-organized, indispensable text. Everyone from legal secretaries to experienced attorneys will find valuable information to streamline their practices and improve their bottom line.

California Family Law Practice Handbook™ (2009 NUTS & BOLTS).....\$175
